

Mulberry Bush Nursery - Winter Newsletter 2025

Welcome to our Mulberry Bush family!

We would like to extend a warm welcome to all of our new families who have joined Mulberry Bush since the summer. We are thrilled to have you join our Mulberry Bush Family, and very much hope your children enjoy their time with us and that you feel happy with the care they receive.

Please remember to talk to us, ask any questions about nursery life, let us know if you are worrying about anything relating to nursery or your child. We consider ourselves to be an extension of your family and we want to know if you have any niggles or worries so that we can do our best to help. Your nursery managers will always welcome parents in their offices, and contact details can be found at the end of this newsletter.

Halloween

As ever, the children and team had a fantastic time celebrating Halloween, dressing up, carving pumpkins, getting messy and playing spooky games! We posted lots of photos of the children's fabulous outfits on our Facebook page.

Children in Need

Thank you to everyone who took part in our Children in Need event, dressing up and helping to raise money for such an amazing charity. All of the children looked great and our team made a big effort as well.

We were really pleased to welcome Pudsey into all the nurseries to say thank you to the children for all of their generous donations during Children In Need week! We are still collecting monies and will display our donated amount as soon as possible.

Children's Christmas Party Week

Our Christmas Party Week this year will be during week commencing 8th December. This is a week that all of our children and our MB team love. Everyone is welcome to wear their Christmas outfits/jumpers and, of course, there will be plenty of party games, dancing and singing.

Team Christmas Party

We always organise a Christmas Party Night to thank all 200 of our team members for their unwavering hard work and commitment over the last twelve months – we hope that they all enjoy letting their hair down, they certainly deserve it! This year it takes place on Friday 5th December and we will post some photos on social media afterwards so you can see our team all dressed up!

Christmas holidays

As usual the nurseries will not be open between Christmas and New Year, it's the only time of the year that we are closed and the break provides a really great opportunity for our team to recharge

their batteries at the same time, and spend time with their families. We all come back raring to go in January! We will re-open at our normal time on Friday 2nd January 2026.

Christmas Eve is always a very quiet day in nursery and we often find that we don't need the whole team to work for the full day and lots of team members are able to go home shortly after arriving. We will be asking you to let us know if you plan to keep your child at home on Christmas Eve (which falls on a Wednesday this year). This will allow us to plan and allow extra team members to take Christmas Eve off to be with their families.

We will of course be open on Christmas Eve, and as such, the day will still be chargeable as a full day to parents. For those parents whose children will be attending on that day, we would ask if at all possible that you collect by 3pm. We will of course be able to care for children after 3pm but would appreciate it if you could let us know so we can arrange cover.

Christmas Appeal

We are supporting the Wood Street Mission Christmas toy appeal again. Christmas is a time of joy and gifts but it can be a difficult time for those struggling to make ends meet, and that is particularly relevant at the end of yet another difficult year.

The Mission has provided toys for children across Manchester at Christmas since the charity began in 1869. Lots of families will be facing an even tougher time this year so we would really appreciate donations of any new, unwrapped toys, books and games. Chocolates, selection boxes and rolls of wrapping paper would also be very welcome.

We are also supporting Bury Council Fostering Service by donating toys for their Christmas party for children who are living in foster care and our foster carers in the Bury area.

The deadline for our collection is Wednesday 3rd December so we have time to collect them all up and deliver them to Wood Street in Manchester city centre and to the Fostering Service in Bury.

 **WOOD ST MISSION**

 **Bury**
COUNCIL
Fostering Service

Donate new toys, gifts or books, unwrapped and suitable for children aged 0-18 years old.

Chocolates, selection boxes and wrapping paper are also much appreciated!

**Drop off at nurseries before
Wednesday 3rd December**

Winter weather

Please make sure your child has a warm coat, hat, scarf and gloves at nursery, ideally labelled with your child's name so they don't get mixed up. We have spare pairs of wellies but feel free to bring in your child's from home (again, with their name inside).

The children love it when it snows but it comes with its own challenges. We have snow shovels and bags of grit salt at the ready and will do our very best to clear pavements, paths and car parks. A large number of our team live within walking distance of nursery and we have never opened late or been forced to close because of the weather – we intend on keeping up that tradition this year!

French Week and our French Programme

We all had a great time celebrating our French week back in October, when our Pre-school children and team dressed in red, white and blue clothes. The children sang danced to French songs, tasting some French foods and learning about French culture! For the past nine years, in all of our nurseries, our 3 and 4-year-olds, who start school the following September, have enjoyed learning French.

Our French programme started at the beginning of September. Designed with the help of a primary specialist language teacher, it introduces simple words and phrases and the children learn French songs, games as well as learning about French festivals and way of life.

Studies indicate that the best time for a child to learn another language is in the first three to four years of life. When people immerse themselves in a language, like children through play and exploration, they can learn a language quickly and easily.

Each term we focus on different topics such as greetings, instructions, colours, family, body parts, numbers and farm animals. The children take part in fun activities used to promote listening and speaking and your child may be coming home talking, counting and singing in French!

All of our Pre-schools have a fortnightly visit from a French teacher from Lingo-tots (the cost of which is not passed on to our parents). The visits are enjoyed by the children and team as they reinforce the words and songs that we are learning.

Mulberry Bush Academy

Our 'Mulberry Bush Academy' initiative has been operating across all five nurseries since September 2024 and it has proved to be a great success. It was designed specifically for our children in the year before starting school, with the aim of ensuring that our amazing Pre-school children become 'school-ready' and prepared for a smooth and confident transition to the next chapter of their education.

Children become part of our MB Academy in the September prior to starting in school reception classes. They will have an incredible year of the very best preparation for primary school life, benefiting from a carefully thought-out programme of activities and experiences, all under the supervision of our brilliant Early Years Advisory Teacher, Kat, and our five incredible Pre-school teams.

Pre-school parents can pick up a copy of our more detailed MB Academy document from our nursery managers and our Pre-school teams.

Kat is an experienced primary school teacher who has worked with children from nursery age up to Year 6, and she has a special interest in working with nursery age children ensuring that they are best placed to make the most of the transition to school and reception class.

She is responsible for the supervision of our phonics programme, role modelling delivery of the programme to our team and delivering it to our Pre-school children when based in each nursery. She is hugely passionate about early reading and books, and enjoys beautifully role modelling story times to our Pre-school teams. Kat works directly with the children carrying out group speech and language interventions, focussing on skill development in all areas of learning. She also supports our Pre-school team in delivering best practice in areas of literacy and mathematics, as well as carrying out assessments of our Pre-school children and their skill acquisition.

Kat operates as a super numerary team member, with the freedom to focus on small groups of children at a time. The adult:child ratios in our Academy remain high, enabling really high-quality teaching and interactions. Kat is available to support parents should they have any questions about their child's eventual move to primary school.

Primary school applications

Just a reminder for the parents of our Pre-school children, the closing date for primary school applications is shortly after the Christmas break (15th January 2026). Whilst we know our Mulberry Bush children are really well prepared to make the most of this next exciting step, and we have some fantastic primary schools in Bury, it can feel like a very big decision for Mums and Dads! Do come and talk to us if you are worried about this next step, we have lovely relationships with the local primary schools and will do our best to smooth this important transition as much as possible.

Facebook / Instagram / Twitter

Please 'like' and 'follow' our nursery Facebook page and Instagram and Twitter accounts to keep up to date with events, reminders and lots of photographs of the children having fun during the day! This newsletter simply summarises a small portion of the information that we have usually already shared in more detail with our parents on our social media accounts so please remember to check in with the accounts for up-to-date information.

My School App

As many of you know, we use an App to communicate with our parents. If you do not yet have access to the App, please contact us so that we can register your email address. It's really important that all of our parents can access the information which we have posted there. The app is called My School App – logo displayed to check you are downloading the right one.

When we have sent you an invite, please remember to check your junk folder but if it doesn't arrive, you can search for the app, download it, and register yourselves, as long as you use the email address you have registered with nursery. Any problems please let us know.

Vacancies

The nurseries only have very limited vacancies. If you would like a place for your child's younger sibling or want to increase your child's days of attendance, please ask a member of the management team for an enrolment form as soon as possible and ask them what the exact availability is like in your nursery so that you can plan.

Thank you

We wanted to say a huge thank you for all of your continued support throughout this year. We are really proud of our wonderful team and our amazing children. If you have any ideas or suggestions of things we could do differently or better, please don't hesitate to bring those to any of us.

All members of the team will always be happy to talk to you, and please don't forget that you are always welcome to contact any member of management or the directors with any queries or questions. All of our contact details are shown on the following page.
